- Easy to use
- Thick liquid formula spreads easily over rough surfaces and allows for even applications.
- Economical .
- Requires only a small amount to be applied.

Application areas

- Food Service
- Hospitality
- Retail
- Lodging
- Education

Block Whitener

D10.9

Destainer

Pump for Suma® Block Whitener Pump assembly:

1. Remove dispensing pump and plastic tube from the carton. Assemble pump by inserting plastic tube firmly into bottom of pump.
2. Always wear safety glasses and gloves when fitting or changing pump onto bottle.
3. One pump is provided per carton of two bottles of Suma® Block Whitener. Do not discard pump when Suma® Block bottle is empty. Swap pump to the new bottle.
4. For first use of pump open Suma® Block Whitener bottle and screw on dispensing pump. For subsequent uses of pump take care to remove pump from empty bottle and avoid splashes or drips. Screw pump onto new bottle of Suma® Block Whitener.

Directions for Use:

1. Remove all gross soil with an appropriate cleaning method.
2. **Mould removal and rapid destaining:**
 - Dilute 20ml into 1 litre of cool water.
 - Apply to surfaces.
 - Allow contact time of 5-10 minutes before scrubbing and rinsing.
3. **Soak tank destaining:**
 - Dilute 20ml into 5 litres of cool water.
 - Add items to be soaked to the tank so they are covered by the liquid.
 - Leave for 30-60 minutes before scrubbing and rinsing.
4. Rinse product contacting surfaces with potable water after use.
