CLAX® 7XP1

Organic powdered acid

Description

Clax® 7XP1 is a powdered organic acid mainly used in the wash wheel for rust removal, and in re-wash formulas.

Features

Clax® 7XP1 is for use in all wash classifications. This product is an effective rust removing sour specially formulated for establishments that have significant iron levels in the water supply and it also has an excellent neutralizing power and good stain removal properties.

Benefits

- Effective in removing rust marks.
- Removes yellowing due to iron on linen.
- Used in re-wash procedure.
- Maintains whiteness.

Application areas

- Laundry
- Healthcare
- Lodging
- Government

Diversey™

CLAX® 7XP1

Directions for use

Clax® 7XP1 is dosed into the first re-wash step of the wash process to remove rust marks and other stains that are reactive to an acid treatment. As a guide, dosage of 6-10g per kg of linen may be used. It is used on a low level and steam to around 60-70°C for approximately 6-12 minutes. It should be followed by at least two rinses then a wash using an alkaline detergent to neutralise the remaining acid. Rinse with potable water at the end of the laundering process.

In New Zealand: MPI C33 Approved (All animal product except dairy).

Technical data

Appearance	Clear, opaque crystals	pH (5% solution)	<1
Dilution	6-10g/kg	Dilution	6-10g/kg of linen

The above data is typical of normal production and should not be taken as a specification.

Product	Pack size	SKU Code	Availability
Clax® 7XP1	10kg	HH10670	AU
Clax® 7XP1	10kg	5946436	NZ

Safe handling and storage information

Store in original containers away from extremes of temperatures. Store in a dry, clean, sealed container. Being an acidic product, it should be handled with care and protective clothing should always be worn when using this product. Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet.

Product compatibility

Do not mix with other chemicals. This product is compatible with most Clax® fabric washing products.

Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product.
