CLAX®

Revoflow Pro

35X1

## Super Concentrated Laundry Detergent

### Description

Concentrated main wash detergent suitable for the Revoflow system. Clax® Revoflow Pro 35X1 is a highly concentrated powder which has been specially formulated for professional laundries and is suitable for use in all water hardness conditions.

### Features

Clax® Revoflow Pro 35X1 is a super concentrated all purpose detergent formulated to effectively remove most stubborn soil and fat stains. The activated bleach system ensures that difficult stains are removed even in lower temperature washes. Clax® Revoflow Pro 35X1 contains high levels of enzymes which assist with protein type soils, and sequestrants to deal with all levels of water hardness and aid in effective soil removal. Anti-redeposition agents ensure that fabrics retain their original colour or whiteness and prevent greying. Clax® Revoflow Pro 35X1 reduces the impact on the environment by limiting packaging waste and need for fillers.

### Benefits

- Effectively removes high protein soils such as blood stains.
- Prevents greying.
- Removes stains at low temperatures.
- Reduced environmental impact.
- Safe small encapsulated packaging.

### Application areas

- Healthcare
- Lodging
- Government
