## HAND TOWELS AND DISPENSERS

### INTERLEAVED TOWELS AND DISPENSERS

RapidClean hand towel paper offers innovation with its wet strength technology, that performs to the highest level. The range begins with economical Ultraslim hand towel, progressing to the premium technology 'Point-to-Point' (P2P) paper, delivering the highest level of performance. P2P is an innovative manufacturing process that delivers extreme strength and performance when required.

### ROLL TOWELS AND DISPENSERS

RapidClean roll towel paper is unique, yet universal in its design. The Roll Towel paper is made from the highest quality wood pulp fibres and from sustainable supply sources. When you require high absorbency and wet strength performance for drying hands or cleaning surfaces, RapidClean roll towels deliver every time. RapidClean's exclusive innovative Autocut hand towel dispensing system, offers the control point you need to deliver quality washrooms in working environments with its guaranteed single sheet dispensing. RapidClean roll towel paper is Australian made and owned.

## TOILET TISSUE AND DISPENSERS

RapidClean toilet tissue is designed to offer superior strength without loss of comfort. "Not all toilet tissue is the same" so when you require quality and performance with no washroom mess, RapidClean toilet tissue delivers the experience you need. Financial and environmental concerns are infused in the design process, to ensure a functional and cost effective product. Innovative dispensing systems control the excess waste of toilet tissue in the washroom, while enhancing the decor and presentation. The Deluxe 2 ply or 1 ply toilet tissue is suitable for all commercial requirements. RapidClean toilet tissue is Australian made and owned.
